Void 1 × Guiness

Table 7 · #1042 · sent 19:42 by edna

Reason

- **Wrong item**
- Customer changed mind
- Spilled or broken
- Other (add note)

Once approved

A VOID slip prints on Dispense A, so the counter stops or returns the drink.

The void is logged with edna as requester and the supervisor as approver.

The item drops off the bill and out of sales, and a corrected bill prints, replacing the earlier one.
